Date of Event: 12/12/2023

Time: 10:00 AM to 02:00 PM

OBJECTIVES:

1. To provide certain exclusive rights to the inventors or creators of that property
2. To aware the rules and regulations of that property
3. Ensuring that creators will be recognized for their efforts and protected from infringement.
4. IP also helps to promote creativity and innovation.

Detailed Report:

The programme started with the auspicious lamp lighting by all the dignitaries followed by an invocation song. Host of program were **Prof. Shivashankar Hiremth.**

Dr Laxman, HOD of Commerce welcomed the **chief guest Sri. Srinivasareddy**, Urdhav Management, Invited speaker **Sri. Sharath Kumar Pattar**, Head-Patent Cell at All India Institute of Speech and Hearing, Mysuru and dignitaries present in the event. The chief guest **Sri. Srinivasareddy** was invited to address the participants. He took his prestigious time to address the gathering about importance of Intellectual property and the goal of Urdhav Management.

Dr. Somashekhar M N, IQAC Coordinator, S S Margol College had given an introductory speech to the participants about the events planned for the day and its significance. He added that the Intellectual property is a category of property that includes intangible creations of the human intellect, and primarily encompasses copyrights, patents, and trademarks. It also includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can be protected as intellectual property.

Prof. K B Billav, Principal of S S Margol College of Arts Science and Commerce had addressed the participants and appreciated the initiatives of IQAC and he explained the main purpose of intellectual property.

The First session was handled by invited speaker **Sri. Sharath Kumar Pattar**, Head-Patent Cell at All India Institute of Speech and Hearing, Mysuru. A briefing on the session is given below.

Major Intellectual Property is Copyright

Copyright is a legal term describing rights given to creators on their literary and artistic works.

Patent: A patent is an exclusive right granted for an invention, which is a product or a process that provides a new way of doing something, or offers a new technical solution to a problem. The limited monopoly right granted by the state enables an inventor to prohibit another person from manufacturing, using or selling the patented product or from using the patented process, without permission. The time period of patent is about 20 years.

Industrial Design: An industrial design is the ornamental or aesthetic aspect of an article which must appeal to the eye. The design may consist of three-dimensional features, such as the shape or surface of an article, or of two-dimensional features, such as patterns, lines or color.

Trademark: A trademark is a distinctive sign which identifies certain goods or services as those produced or provided by a specific person or enterprise.

Next 10 minutes a break was given and tea was served.

After the break, second session was again handled by Sri. Sharath Kumar Pattar. He briefed on the following points.

Geographical Indication: Geographical Indication is an indication which identifies goods as agricultural goods, natural goods or manufactured goods as originating, or manufactured in the territory of country, or a region or locality in that territory, where a given quality, reputation or other characteristic of such goods is essentially attributable to its geographical origin.

Layout Design: It includes layout of transistors and other circuit elements, including lead wires connecting such elements and expressed in any manner in a semiconductor integrated circuit (IC).

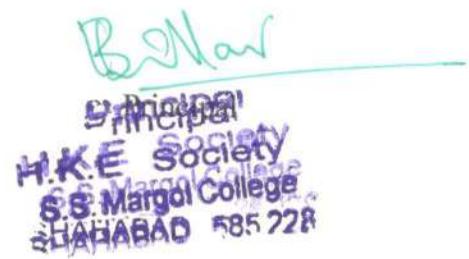

Trade secret: Some inventions, data, information cannot be protected by any of the available means of IPRs. Such information is held confidential as a trade secret. Trade secret can be an invention, idea, survey method, manufacturing process, experiment results, chemical formula, recipe, financial strategy, client database etc.
