  6. Shri S.S.Biradar  
FDC & OS

## PART – A

The newly established IQAC formatted the programmes for the academic year 2010 - 11. The committee demands quality establishment through these programme. The details of programmes are as follows.

- Automation of Library and Office.
- Introducing Computer Science as one of the optional.....'
- Undertake construction work of Women's hostel and Auditorium under XI Plan UGC grant.
- Bio metric attendance.

College is situated in Semi urban industrial town. Students from nearby villages will study in this college. Students are from socio – economically backward areas.

College has procured Library and Office automation software and also introduced Bio matrix. Introduction of Bio matrix changed the working culture, employees have become time conscious and efficient in various developmental work. Concept of In punch and Out punch has come up because of Bio matrix.

Slowly college has undertaken the automation of library and office in stage wise manner, because of large volume of books that are with library.

As per the advice of NAAC peer time college this year started introducing Computer Science as an optional subject along with Physics and Maths. In this respect college has appointed staff member having qualification M.C.A. slowly books and other essential of the course are procured for the smooth conduct of regular classes.

For the current academic year college has taken the work of construction of Women's hostel and Auditorium under UGC Special Grant and General Development grant respectively. A grant of Rs. 40, Lakhs for Women's hostel and Rs. 6 Lakhs for Auditorium has been sanctioned by UGC out of which college received Rs. 20 Lakhs and 3 lakhs towards same.
