

Health Awareness Program – Report

Date: 27th September 2025

Organized by: IQAC, Women's Cell, S.S. Margol College in collaboration with Swasth Mahila Swasth Bharat Yuvraj Singh Foundation, Kalaburagi

The college hosted a Health Awareness Program to educate staff and students on vital health issues, emphasizing preventive care and wellness for women and the broader community.

Program Highlights:

- **Special Lecture:** Dr. Ashwini delivered an insightful talk on women's health and early-detection of common ailments.
- **Chief Guest:** Sri. Sambanna Madavar, E.S.D, Kalaburagi shared perspectives on government health initiatives and their expanding scope for community wellness.
- **Guest Speaker:** Dr. Priyanka from Yuvaraj Singh Foundation focused on the foundation's outreach for "Swasth Mahila Swasth Bharat."
- **Stage dignitaries:** Dr. Sureka (Women's Cell Convener), Dr. Kaveri (Physical Director), Smt. Sarita, Smt. Farhinbanu, Smt. Jyoti Gantimath.
- **Participation:** Teaching staff and a large contingent of students actively engaged in the interactive sessions and Q&A.

Significance:

The program reinforced the college's commitment to holistic health education, aligning with national efforts to broaden healthcare awareness and infrastructure.
