Report on Alumni Guest Lecture

Mr. Vishal D Rathod Alumni of 2003-2006 batch was the guest of the day. The event was organized by the Department of Computer science. Mr. Vishal D Rathod introduced himself and explained how he got opportunity to learn and explore Java programming. He further explained about different phases and process of an application development in software Company.

He discussed about the different Java technology frame work like spring framework 4.3, Hibernate 5 for database and spring Boot v2.3.4 and how these frameworks allow Java-EE developers to build simple, reliable, and scalable enterprise applications. He also shared some knowledge about tools like Maven, Git and their importance for Java Project development.

The talk was well received and appreciated by the students of B.Sc. 3rd and 5th semester. A total 35 students attended the session. The talk was highly informative and useful to the students, and all the students have actively participated in the talk and cleared their doubts.

Mr. Vishal Rathod Alumni of this college, he has engaged the special lecture on Java technology on 06-07-2017

SESSION REPORT

Department of Political Science organized an interaction session on "THINKERS" By Mr. Ramanna S Ibrahimpur Batch 1995 for B.A II/IV/VI Semester Students on 01-01-2022

He starts with his introduction and he talks About some important Thinkers of Political Science especially Plato, Aristotle and Machiavelli. And he told Plato is the first political scientist, and Aristotle was introduced empirical observation into the study of politics. And Plato and Aristotle produced the central writings of ancient political philosophy, while Machiavelli was the founder of modern political philosophy. And he told Manu was one of the most original thinkers of Indian Political thought.

Around 42 students attended the programme few of the questions from the students were taken up by the alumni during Q & A session. The variety and range of question raised show that the students took an active part in the programme. The programme was concluded successfully and the interaction was ended with a departmental vote of thanks.
